## PAST PERFORMANCE

### U.S. Census Bureau (USCB)

For two years, successfully provided Cybersecurity Program Management, FISMA Security Assessments and Engineering support towards the integration of security engineering and management processes for the 2020 Census Project valued at over \$1.2B.

### Attenti U.S. Inc.

Provided successful services, for 18 months, in support of Attenti's goal of implementing a Governance, Risk and Compliance Framework as part of their Enterprise Security Program. Specific services included, Enterprise Risk Management, Regulatory Compliance Assessments and Security Training towards DFARS/SP800-171 compliance goals.

### General Services Administration (GSA)

Successfully provided, for contract duration, Cybersecurity Program Management, Compliance Reporting, and Cybersecurity Assessment support to GSA for their IAAS cloud implementations using the NIST Risk Management Framework and FedRAMP process.

### ASRC Federal

For contract duration, provided Security Assessment, Program Management, Policy Development, and Enterprise Risk Management support to ASRC Federal towards their DFARS/SP800-171 self-certification goals. Delivered services on time and on budget.

- Cybersecurity Role-Based Courses

## CONTRACT OPTIONS

Captiva Solutions accepts government procurement cards for training services. The Federal Acquisition Circular (FAC) 2005-97 2.101(b)(3) allows the use of micro-purchase threshold (MPT) services to "facilitate defense against or recovery from cyber... attack" and 41 U.S.C. 134 allows the same under the simplified acquisition threshold (SAT), which FAC 2005-97 13.003 sets aside as reserved, "exclusively for small business concerns."
