Overview

Captiva Solutions is a cybersecurity and compliance firm dedicated to supporting the Defense Industrial Base (DIB), federal agencies, and critical infrastructure organizations. We help defense contractors achieve and maintain CMMC compliance, protect Controlled Unclassified Information (CUI), and sustain eligibility for Department of Defense contracts.

CMMC Ecosystem Operations

Captiva participates across multiple lanes of the CMMC ecosystem:

Preparing — Former Registered Practitioner Organization (RPO)

Guiding defense contractors through readiness and remediation.

Certifying — Candidate C3PAO

Supporting formal assessment activities and compliance determinations.

Training — Approved Training Provider (ATP)

Delivering authorized CMMC education and exam preparation.

Publishing — Approved Publishing Partner (APP)

Developing CMMC-aligned curricula and training materials.
