

## Capability Statement

### Overview

Captiva Solutions is a cybersecurity and compliance firm specializing in governance, risk, and regulatory alignment for federal agencies, defense contractors, and regulated industries. We deliver mission-focused solutions that strengthen cyber resilience, ensure regulatory compliance, and protect sensitive information. Our team of cleared and credentialed professionals provides end-to-end services spanning strategy, implementation, assessment readiness, and workforce development.

### Past Performance

Captiva has delivered cybersecurity, compliance, and workforce development services to federal agencies, defense contractors, and regulated organizations for over 15 years. Our experience includes:

- Conducted 30+ CMMC readiness assessments across the DIB.
- Performed 15+ CMMC certification engagements in Lead Assessor and Quality Assurance roles.
- Trained hundreds of professionals pursuing CMMC and cybersecurity certifications.
- Implemented and assessed cybersecurity programs for multiple federal agencies.
- Supported enterprise risk management, regulatory compliance, and mission assurance initiatives aligned with NIST frameworks and federal cybersecurity standards.
